Funeral Payment Options

Traditional Funeral Services

For traditional funerals, South Downs Funeral Service will require all burial fees to be settled prior to the funeral service taking place, although we will not require cremation fees to be settled prior to the funeral service taking place. Payment in full prior to the funeral service taking place for both cremation and burial service will be accepted should the client wish to provide one. South Downs Funeral Service will send a final account to the client within 5 working days of the service provided.

Full settlement will be required within 7 days of the account.

Simple and Direct Funeral Services

For simple and direct funerals, South Downs Funeral Service will require payment in full prior to the funeral taking place
